Infants and Toddlers with Disabilities was enacted in 1986 under the Individuals with Disabilities Education Act (IDEA; 20; U.S.C., Section 1431 et seq.). This program is California's response to federal legislation ensuring that early intervention services for infants and toddler with disabilities and their ...

## **What is Early Start? : CA Department of Developmental Services**

Over 20 years ago I taught myself C++ (big mistake). Later I moved into management. Now I am going back to school to get a M.S. in Computer Science. C++ is heavily in the program because of it so versatile, powerful and comprehensive. This time around I am getting proper instruction by taking a university course. The course text is this book.
