California, constituent state of the United States of America. It was admitted as the 31st state of the union on September 9, 1850, and by the early 1960s it was the most populous U.S. state. No version of the origin of California's name has been fully accepted, but there is wide support for the contention that it derived from an early 16th-century Spanish novel, Las sergas de Esplandián ...
