Fairclough Language And Power
NORMAN FAIRCLOUGH shows that many interactions are 'unequal encounters'; that language choice is created and constrained by certain social 'power' situations or 'power type' discourse of kinds accepted as 'normal' for that kind of encounter, e.g. a manager/worker or doctor/patient conversation (or, in a text, the use of stereotypes or other ideological ideas).

Language and Power - Norman Fairclough - Google Books
How this is done is based largely on how language is used to naturalise the inequality of power relations within a society. Fairclough's point, then, and how the book ends, is to call for critical language analysis to be taught in schools so that students can see how language is used as an instrument of power in the interests of those in power so as to naturalise certain ways of understanding the world.

(PDF) Critical Discourse Analysis: Norman Fairclough ...

Norman Fairclough is an emeritus Professor of Linguistics at Department of Linguistics and English Language at Lancaster University. He is one of the founders of critical discourse analysis as applied to sociolinguistics. CDA is concerned with how power is exercised through language. CDA studies discourse; in CDA this includes texts, talk, video and practices.

Norman Fairclough - Wikipedia

Synthetic personalisation is the process of addressing mass audiences as though they were individuals through inclusive language usage. It developed from critical discourse analysis (CDA), a branch of sociolinguistics concentrating upon how power is articulated.. Norman Fairclough, credited with developing the concept, calls it "a compensatory tendency to give the impression of treating each ...

Synthetic personalisation - Wikipedia

In this twenty-fifth anniversary edition, Norman Fairclough includes a substantial new introduction and brings the discussion up-to-date. He shows both the importance of the book in the development of critical discourse analysis over the past three decades and how language and power relations have changed due to major socio-economic changes.
