GENERAL DEFENCES UNDER LAW OF TORTS

The decline in the potency of tort defenses over the last century, their only occasional use in actual litigation, their atrophy in contrast to the robust elements of negligence law, their lack of specificity to tort, their definition as second-tier questions, and their frequent specification by statute rather than common law—all have resulted in a fairly undersized group of interested

In Defense - Torts

Self-Defense: A defendant in certain situations may have a claim of self-defense to an intentional tort. The law recognizes that we have the right to defend ourselves by using physical force when we reasonably believe that we are going to suffer imminent harm or offensive contact. There are limits to self-defense.
