ate the differences and similarities between sewage treatment plants (STPs) and industrial wastewater treatment plants (IWTPs). Chapter 4 — The Industrial Wastewater Treatment Plant — Preliminary Unit Processes 42 Discussion on the preliminary treatment required to prepare industrial wastew-aters for secondary treatment.

Industrial Wastewater Treatment
This book adopts a "show and tell" approach to guiding readers in the area of industrial wastewater treatment and the facilities associated with such treatment. It assumes the reader is familiar with wastewater treatment theory but may be unfamiliar with the reasons why certain unit processes or equipment are included in practice, how these work, and why they fail therein.

Industrial wastewater treatment [PDF] Download
INDUSTRIAL SOLID WASTES A D Patwardhan Patwardhan A D Patwardhan Industrial solid wastes, unlike liquid effluents and gaseous emissions, receive relatively less attention in terms of treatment, reuse, recycle, and recovery of useful by-products. These solid wastes have great potential for recovery and reuse.
