Congratulations on your purchase of a Pioneer KURO flat panel television. KURO is the future of Pioneer flat-panel displays. It's a world without boundaries. A place where the senses evolve, colors are felt and sounds can be tasted. An experience that changes not only the way you look at television, but the way you look at the world.

| **Sony Canada**

Very few manufacturers can call themselves "traditional," but until now, no description has better fit Pioneer, with their dedication to high-performance CRT-based rear-projection displays. However, that's about to change: Pioneer is scheduled to convert their rear-projection CRT assembly facilities to the production of plasma displays in April 2004, finally leaving CRT behind.
