Present Perfect Past Perfect Past

Both present perfect and past perfect talk about something that happened before a point in time (reference point). In the present perfect, our reference point is the present. In the past perfect, our reference point is in the past. Present perfect. An action that started in the past and continues to the present. I have lived in this city for six months.

Difference between Present Perfect and Past Perfect in ...

Past perfect: This is formed by combining "had" with the past participle of the verb. The past perfect is very similar to the present perfect because the event also started in the past. However, the difference between the events is that the past perfect event also ended in the past. This can be used with a specified time.

English grammar help: present perfect and past perfect ...

We can see that the sentence used "have" instead of "had," so we know it's present perfect tense, not past perfect. The past perfect tense expresses an action that began in the past and was completed in the past before something else occurred. The past perfect equation looks like this: Past tense of "had" + past participle = past perfect tense. Here's a sentence with past perfect tense. Paul tried to hide the vase because he had broken it.
