— Russell M. Stendal, Uncovering What Religion Has to Hide: The Testimony of Simon Peter “When the rain (of blessing) falls, it waters all the seeds in the garden. When fertilizer is applied, it fertilizes everything growing in the field. If thorns and briars are in our hearts, prosperity will cause them to prosper also.

As part of the uncovering religion series, Matt Medley looks at the interesting and often unstudied religion of Judaism. Where did Judaism start or what is the basic history of Judaism. In this excellent study of Judaism, Matt makes it well clear where Judaism aligns with Christianity and where it differs.

Why Uncovering Religious Deception Is Important With people rampaging and killing many so they can get to heaven it has created an urgency to expose the organisations that support these things. Islam is the culprit because it started as a violent and hate filled religion whose roots are in Babylon...

Why Uncovering Religious Deception Is Important

Religion: Uncovering a Great Fallacy I’ve learned through my experiences that false beliefs produce irrational behavior. To me, this has been demonstrated most clearly by people of faith — those with a belief in something without evidence or understanding. Take for example the suicide bombing community or those who mutilate the genitals of ...
